

FWA GARRISON SUMMER 05 SAFETY ACTION PLAN

*Our Army at War - **Be Safe!** - Make It Home*

DISCUSSION

In support of the DOD directed 50% reduction in preventable accidents by the end of FY05 the FWA Garrison Commander has directed that the garrison conduct a Summer safety campaign. The campaign will begin on 27 May 2005 and extend through 5 September 2005.

*Our Army at War - **Be Safe!** - Make It Home*

101 DAYS OF SUMMER

Summer is a time when there are increased safety risks across our installations and more serious mishaps occur in these three short months than during the rest of the year. For this reason, the Army recognizes the time from Memorial Day weekend through the Labor Day weekend as the “101 Critical Days” of summer.

*Our Army at War - **Be Safe!** - Make It Home*

CAMPAIGN CONCEPT

The Summer 05 Safety Campaign will be conducted using the principles of **Composite Risk Management (CRM)**. The concept behind Composite Risk Management (CRM) is simple: the more you know about the hazards you face the more risk you can effectively manage. There is no separation of tactical or accidental, deployed or garrison, on duty or off duty, it is all risk management 24/7 because Soldiers are vital Army assets whether engaging the enemy, relaxing at home, or on block leave.

*Our Army at War - **Be Safe!** - Make It Home*

CAMPAIGN CONCEPT (Con't)

While serious injuries occur at work, most happen away from the closely supervised, well planned activities of the workplace. For example, POV accidents continue to be the largest cause of accidental soldier fatalities. The same is true for civilian employees. Deaths due to POV accidents and off duty activities far exceed work related deaths. Whatever the cause, the loss of a Soldier or civilian employee affects combat readiness.

*Our Army at War - **Be Safe!** - Make It Home*

CAMPAIGN CONCEPT (Cont.)

The Summer Safety Campaign will focus primarily on the off duty component of CRM, but on duty activities are included.

Family members are a vital part of the Army team and their safety and well being is critical to maintaining combat readiness. As such, much of the summer campaign will be directed at providing safety information to family members.

*Our Army at War - **Be Safe!** - Make It Home*

SUMMER SAFETY FOCUS AREAS (High Risk Activities)

- POV Accident Prevention
 - Defensive Driving
 - Seatbelt Awareness
 - Trip Planning
- Motorcycle Safety and ATV Safety
 - Riding Techniques
 - Personal Protective Equipment Requirements
 - Equipment Preparation and Maintenance
- Recreational Accident Prevention
 - Sports Injury Prevention

Our Army at War - **Be Safe!** - Make It Home

SUMMER SAFETY FOCUS AREAS (High Risk Activities)

- Water Safety (Boating and Swimming)
 - Safe Boating
 - Personal Flotation Devices
 - Drowning Prevention
 - Cold Water Hazards
- Home Safety
 - Fire Safety
 - Earthquake Preparation and Survival
 - Wildlife Safety
 - Gun Safety
 - Poison Prevention

*Our Army at War - **Be Safe!** - Make It Home*

MARKETING STRATEGY

- FWA SUMMER CAMPAIGN THEME:
"SAFETY FIRST"
 - Distributed Training Materials
 - Command channel
 - Alaska Post
 - Website
 - E-mail
 - 353-INFO line
 - Other media

*Our Army at War - **Be Safe!** - Make It Home*

RESPONSIBILITIES

Commanders, Directors & Senior Leaders :

- Be personally involved and promote safe practices among our Soldiers, civilian employees, and their family members
- Establish and sustain both educational and promotional programs targeting our young Soldiers and their families. Promote programs and activities that discourage alcohol use and encourage family participation

*Our Army at War - **Be Safe!** - Make It Home*

SAFETY OFFICE

Responsibilities:

- Program Oversight
- Promote and Support USAG-AK & FWA Directed Safety Campaigns
- Distribute Campaign Materials to Commanders and Directors via:
 - Email
 - Posters
 - Website
 - Brochures

Our Army at War - **Be Safe!** - Make It Home

SAFETY OFFICE (Con't)

Responsibilities Con't:

- Provide Training Resources
 - Materials for use in unit training and safety meetings
 - Video Tapes
 - PowerPoint Presentations
 - Safety Training

*Our Army at War - **Be Safe!** - Make It Home*

PAO

- Assist in Promotion of FWA Garrison Summer Safety Campaigns
- Assist in Marketing Strategy for:
 - Command channel
 - Alaska Post Articles and Promotions
 - 353-INFO line Safety Updates
 - Other media as needed

*Our Army at War - **Be Safe!** - Make It Home*

PMO

- Traffic Enforcement
 - Speeding
 - DWI Enforcement
 - Enforce Motorcycle and Safety policy
 - Verify Seatbelt usage at entry points and during random checks
- Bicycle Enforcement
 - Helmet Wear
 - Bike Rodeo (Child Bicycle Safety)
 - Bike Patrol (30 May)

*Our Army at War - **Be Safe!** - Make It Home*

PMO (Con't)

- Support Click-it or Ticket Program
- Additional checks incorporated with current inspections:
 - Memorial Day
 - Independence Day
 - Labor Day

*Our Army at War - **Be Safe!** - Make It Home*

DMWR

- Summer driving training provided during newcomers briefing
- ODR and gym staff trained on 1st aid and defibulator
- Swimming classes to enhance child water safety
- Provide safe environment for combatives training

*Our Army at War - **Be Safe!** - Make It Home*

DMWR (Con't)

- Power tool certification at Arts & Crafts
- CYS child and facility certifications
- Parent Baby Safety and Baby Sitting classes

*Our Army at War - **Be Safe!** - Make It Home*

DPW

- Fire Department Safety:
 - Confined space training
 - EMT I,II, and III training
 - Confined space training
 - Drivers training for the fire engineers
 - Fire inspections
 - Fire awareness education/training

Our Army at War - **Be Safe!** - Make It Home

DPW (Con't)

- Internal Safety Program:
 - Weekly safety meetings conducted to address safety issues
 - Safety bulletin boards at each work site
 - Communications with the fire department upon entering any confined space on FWA

*Our Army at War - **Be Safe!** - Make It Home*

DPW (Con't)

- Utilities Safety Program:
 - Purchased and provided training on AED defibrillators
 - Updating CPR and 1st aid training for all
 - Initiated projects for machine guarding
 - Calibrating, and replacing safety relief valves

*Our Army at War - **Be Safe!** - Make It Home*

DOL

- Internal Safety Program:
 - Monthly safety meetings conducted to address safety issues as well as monthly celebrations
 - TMP drivers recognized for accident free miles on annual appraisals and awards
 - Safety bulletin boards at each work site
 - Continue improving DOL Safety Folder located in the "P" Drive under the "Safety" Folder and located also on the FWA Web Site

*Our Army at War - **Be Safe!** - Make It Home*

WAAF

- Safety briefings and vehicle inspections conducted for new employees and before all holidays
- Daily:
 - Runway checks for FOD, lighting and asphalt conditions
 - Runway braking test (winter)
 - Daily aviation safety tips
 - Testing of primary & secondary alarm system
- Quarterly unannounced exercise of Pre-Accident Plan
- Quarterly airfield safety inspection

*Our Army at War - **Be Safe!** - Make It Home*

ASAP

- Monthly training conducted by Unit Prevention manager
- Risk Reduction Coordinator implement Unit Risk Inventory schedule and conduct desk-side analysis/interpretation of URI results
- Risk Reduction Coordinator conduct desk-side Commander briefing of quarterly Risk Factor Shot Groups
- Prevention Coordinator provide specialized training on relevant summer prevention topics
- ASAP conduct monthly ADAPT Education

*Our Army at War - **Be Safe!** - Make It Home*
